• **Name:** Youth Organization Union (abbreviated as Y.O.U.).

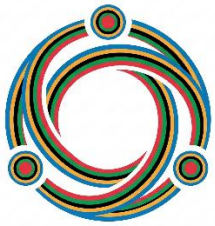
• **Logo:** To be designed – I like the idea of Theodora - but I like it to be more modern in styling so have some adjustment.

I refer the color code of the Olympic logo symbolize 5 continents

Long form

Brand colors

Short form:



- Slogan / Vision / Mission

Slogan: All Youths start with Y.O.U. (or All Youths begin with Y.O.U)

(That means all the Youth development should think of our organization's companionship)

Vision: To become a top-of-mind youth union where all youth organizations in the world join together for strengthen their internal capacity and external resources for their impactful making journey

➔ Rephrased "To become the leading global hub, uniting youth organizations to amplify their internal capacity and collective impact."

Mission: (agree with Theodora - copy) To unite youth organizations through collaboration, capacity building, and shared initiatives that strengthen member networks, develop youth leadership, and create opportunities for collective local and global impact.

To build a united global community where young people are empowered to lead, collaborate, and drive positive change in their societies through innovation, leadership, and collective action.
